

## THI-SHOW TRANSCRIPT 2024-10-08

In Part 3 of the true horrors of the world I briefly discussed the MK Ultra mind control program operated by the psychopath section of the CIA and I said I would reveal more of it later. This show covers that and also other forms of mind control done by clown think tank organizations for seemingly entertainment for the darkened soul elites. If you wish an overview of how and why this planet is a mess, this show provides you with ample evidence to be able to glimpse at the situations we face on this planet. But it is only a glimpse into a much wider picture, that too few on this planet believe, never mind comprehend. After a recent deep Expose on pharma drugs and the direct dangers of taking any of them, this piece now in part exposes the folly of sending children to their schools. It is alarming to most of you, although not so much for those who went beyond the targeted indoctrination programs. This show has a high potential to be triggering on multiple levels, it can be deeply triggering to people unaware they have been in these programs. Please exercise caution and turn the show off if it is unsettling you. This is a deep psyche show that can be harmful without proper shielding and support around you.

### TAVISTOCK INSTITUTE:

Tavistock Institute was launched to wage psychological warfare on the masses. Why would so-called humans wish to wage psychological war on the masses? It makes no sense, all of which means it is a program. A program run by whom would be the next question? but the obvious answer, of some deranged humans doesn't fit a whole planet agenda, does it? The most logical and practical sense of who runs this program is non-humans. Whoa non-humans, you mean aliens Thomas? But the TV tells us they don't exist. But did you ponder as to why they would go to such great lengths to dismiss the notion of intelligent life forms outside of Midgard? No? Then therein lies the problem. You are thinking with a deep state hypnotized mind they created for you, whereby you can never question the official narrative. But why can't you question it is the great conundrum? Why aren't people allowed to free think for themselves? After all, the truth never fears investigation. Why? Because it is the absolute truth and no amount of investigations can alter the truth, only the lie fears investigation. Hence the UFO and alien cover up is, a lie. So, it then makes far more sense and even logic to consider this psychological warfare on the masses is done by someone or something not native to this planet. It was founded by John Rawlings Rees in 1947, just two days after the forming of the CIA. Coincidence? not a chance. The 1947 date is actually not true either, as Tavistock was formed in Germany before WW2 and also there was a Tavistock clinic in London in 1920 doing similar psychoanalysis. A pity they didn't practice on themselves. So what happened to Tavistock in Germany? Well another myth is about to be shattered, as it was Adolf Hitler who disbanded Tavistock in 1933, they then fled to England and then America. Why would Hitler the supposed mass murderer of millions of people, protect the very people he was alleged about to murder them all, by dismantling the dangerous and psychotic programs of Tavistock? Does that make any sense? Remember the UK based OSS? which morphed into the SS, then they created the CIA. And so it is not without recourse to suggest, that Tavistock was created alongside the CIA by the same OSS-SS group. The CIA did the evil MK Ultra mind control and Tavistock did other more subtle versions of mind control, though no less damaging.

The CIA tactics were on targeted individuals, whereby Tavistock was to engage the masses. Tavistock has reshaped modern society, through an invisible army of shock troops. Virtually every major Corporation, University and think tank are linked to Tavistock, as we revealed in FRWL 9. Many social movements of the

last century have been Tavistock projects, including feminism, transgenderism, global warming hysteria, the anti-gun movement and radical left wing ideas, which is mired in socialist policies. Even more, they invented the Beatles, Rolling Stones, rap and hip hop music and most Americans have been profiled and brainwashed by Tavistock. After the First World War, there was enormous interest in Britain in the treatment of such functional nervous disorders as the shell shock cases (today PTSD). In 1920, Hugh Crichton-Miller (1877–1959), a neurologist who even before the war had opened a private nervous clinic, took the lead in founding a clinic based on the principles of psychoanalysis to serve individuals who could not afford private psychotherapy. Yet again showing the nefarious functions of hospitals, not interested in cures, only to find ways to manipulate people's brains via shock therapy or total mind control techniques. The services of the consulting staff, as often was the case in British hospitals in those days, were unpaid. The clinic was named after its original location in Tavistock Square in the Bloomsbury district of London.

So who was the Tavistock group connected to? We are about to find out. Founded in 1921, the Tavistock Clinic, as it was then known, has served as the psychological warfare arm of the British monarchy and has benefitted from the patronage of that monarchy and allied oligarchical networks. In other words the same types of "people" connected to the Belgian, British and American pedophile scandals, yes it is the EL-ites again. But it doesn't end there, as another familiar connection is also tied to Tavistock. Tavistock has always enjoyed a close working relationship with the highest circles of Freemasonry: The current chairman of the center's board of directors is Queen Elizabeth II's cousin, the Duke of Kent, who is Grand Master of the United Grand Mother Lodge. At the center of its decades-long fight is its battle to wipe out the view of man as born in the image of the Creator, in the unique sense, that each individual is endowed with the potential for creative reason. In other words it is all about disconnecting us from Source and into the hero worship of the elites as our new god or Creator. Remember in FHSTOS Part 4 we covered the period 1880 to 1925 and all the programs, the plans not prophecies were being formulated for the next century? Including wars, new age programs, depopulation, New World Orders and more importantly, the destruction of the white race who these elites, despite an appearance of being white themselves, hate with a vengeance. Why? Because they are not white at all, only the image of being white, all done by devious cosmic genetics manipulations of our species. People would ask why would they do that? The answer is simple, yet for many too much to bear, is to take over our whole planet and claim it only for themselves. And sadly that is what has taken place, but now the fightback has begun in earnest and at record pace. In the 1800's when these elite families began to build their empires, an event took place oblivious to most people on this planet. Whereby the controllers of the planet who were invited in by the tribal peoples of the past, decided to "step down" and let the "humans" take over the running of the planet themselves. All of which sounds very magnanimous of them, except it wasn't, it was the classic magic sleight of hand move, of which they are known for. The controllers for those new were the Draco group, who are reptilian, but can wear "human" skin suits for a time, but struggle when on the surface of the planet because of the atmosphere and so generally remain underground. But the handover was to these elite families who are reptile brethren of the Draco themselves, again courtesy of the cosmic genetic manipulation games. The Rothschilds clan has the most Draco DNA of all the families, hence they were designated to operate this planet according to their fake gods. If that seems not believable to you, then perhaps the next line will get you to think again. The paradigm shift that Tavistock seeks would reduce all men to beasts, easily controllable by the oligarchy and their anointed psychological shock troops, deployed through the extended Tavistock network. To turn men into beasts, where have we heard that terminology before? Yes the anti-humanity group and their Hebrew Anunnaki bible called the Talmud.

Before we go deeper into the past this next piece, this is in the now and highlights the evilness of Tavistock and its subsidiaries

#### MODERN DAY TAVISTOCK:

This is a recent report and highlights the further atrocities of this secret group, but now they like the Israelis and other EL-ite clowns are being exposed badly. The Tavistock clinic faces a complete overhaul after a review found that its gender identity services are not a safe or viable long-term option for children and young people. The report has been hailed as a victory for whistleblowers, who warned that the gender identity development service (GIDS) clinic in north London, was operating outside of typical NHS safeguarding and clinical standards. Dr Hilary Cass, a retired pediatrician, was commissioned by NHS England to investigate services at the clinic, which has been sending children as young as ten for experimental hormone treatment. The clinic, run by the Tavistock and Portman NHS Foundation Trust, is England's only specialist service for children and young people who identify as transgender. It has been overwhelmed by a sudden increase in referrals from across the country, particularly among young girls who are distressed about their gender and youngsters on the autism spectrum. In 2009 the clinic received about 50 referrals, typically from males who had suffered gender dysphoria from an early age. By 2020 there were 2,500 referrals, mostly from females who started suffering gender identity issues in their early teens, with a further 4,600 young people on the waiting list. So in just 11 years there has been a 5000% increase in referrals? These people are sick and yet again the target is our children, which has been a sad common theme within our shows recently. About one third of children and young people referred to GIDS have autism or other types of neurodiversity, in other words the vaccines are causing this male and female imbalance and in overview a mental health issue. There is also an over-representation of "looked after" children in local authority homes or foster care. And we all know why so many children go into foster or care homes, all part of the programs of Tavistock and the CIA.

What does the original meaning of foster mean? Foster (v.) Old English fostrian to supply with food, nourish, support. From fostor food, nourishment, bringing up. From Proto-Germanic fostra, from extended form of PIE root pa- meaning to feed. To feed and nourish what? is the great question from those descriptions. Is it saying those that go into the foster care system are being fed to unscrupulous others? As farfetched as that sounds, too often with these cases, it proves it is far more reality based than speculation or mere fantasy. It has also lost many senior staff, who have clashed with the leadership over the best way to treat vulnerable young people with complex histories, who are requesting experimental hormone therapies to change gender. The long-term outcomes of such therapies in this age group are still unknown. Critics have accused the clinic of abandoning NHS best practice in its alleged readiness to offer life-changing medical treatments to children who declare themselves transgender. Cass concluded that a fundamentally different service model is needed in an interim report released yesterday. Indeed, the whole medical centers have to be totally revamped due to rampant malfeasance, corruption and illegal practices and programs, largely run against the children and the elderly. Her report calls for the end of the clinic's current monopoly over treatment of young people wishing to change gender. Kate Grimes, a retired hospital manager, said she felt relief that finally the NHS is looking at this seriously. Relief for the patients currently being harmed. Relief for the staff who have felt unable to speak out. And hopeful that we can now start to get a proper service model in place and that we can reintroduce the basics of quality care for patients, using evidence, gathering data, listening to staff. Again that applies across the board, not just for transgender programs.

Dr Anna Hutchinson, a clinical psychologist who left GIDS, amid concerns that young people were being sent for life-changing hormone treatment without adequate investigation of other factors that may be the cause of their identity crises. She welcomed the calls for better standards of care for gender questions and trans-identified young people which we can all agree is necessary. An increasing number of transition surgery patients are now deeply regretting what they have done. I am going to sound harsh on that, as people have to start facing the consequences of their own actions and live with it. They went along with it and now they face the consequences of it. There is still a stigma about being gay on this planet and many of these transition people are covering up they are gay. The overview of this is, just how easily the people fall for their banal programs, with devastating consequences. That does not negate the sheer evil of the Tavistock and other organizations who promote these anti-humanity and indeed anti-god or Source programs. The great question is, why the religious people were not up in arms about this topic, given it is actually going against their god. You are going against creation with these body changes and also part of fulfilling a program against humanity. All designed to disrupt and confuse us. What happens when the masses finds out many of the stars they follow, are not the gender they think they are? That will have a deep psychological effect on those people, when men find out the women are men, and women find out the men are women. There is going to be a revulsion within and without, but that is what happens when you don't listen to others pointing it out. Again consequences of actions or inactions.

#### SCHOOLS:

Next came the introduction of mind control for the beasts, called education. Again for those new, education actually means the training of animals. It is toward that end, that Tavistock has designed the brainwashing methods employed in so-called educational reforms, like outcome-based education, the World Core Curriculum and global education. Key to these reforms is the concept that teachers are no longer responsible for imparting knowledge and truth. Instead, their function has been changed to something akin to a therapist: They make a psychological intervention into the minds of children, shaping their personality, values and attitudes. In the current jargon 26 Feature they are called facilitators or change agents, but they are more properly called therapists. Therapists or the rapists? Whether teachers like this or not, as a facilitator and change agent, whether under woke management or not, you have been employed to rape the children of their minds and everything it means to be human. You can cry all you like about that statement, it means nothing to me, because it is the absolute truth. We are destroying our own children before they become adults with this insidious mind control program called education. It is designed to retard your own children for source sakes. Why would you ever trust these people and their organizations?

But what is jargon? jargon (n.) mid-14c., unintelligible talk, gibberish; chattering, jabbering, all of which is exactly like legalese. From Old French jargon meaning a chattering (of birds), also language, speech, especially idle talk; thieves' Latin (12c.). Idle talk and thieves Latin, again for those new Latin is the Draco language and where law comes from. In fact in the 600AD we even had a law called Draco Law. The school class has become the equivalent of a group therapy session, employing the methods for controlling and manipulating small groups, first developed by the Tavistock networks before World War II. Who were those responsible for the education indoctrination programming of our children? Well in America it was the Ford Foundation and the Carnegie bloodline family. The Carnegies ran an upscale institute for high learning, that in the early 1900's was so successful, it was producing several scientists on the same level as Tesla. This became a threat to the car, oil, rail and coal industries, all operated of the bloodline elites and Tesla's free

energy program was a threat to them all and their shekel programs. So Ford threatened Carnegie they will cut their funding unless they dumbed down their science students. It worked so well, it was then introduced into the up and coming compulsory public school system. The movement for compulsory public education, in other words, prohibiting private schools and requiring all children to attend public schools in the United States began in the early 1920s. The private schools would be for the elite children only, via Waldorf and Steiner schools.

But guess who was supporting the compulsory public school system at that time? The Ku Klux Klan, which was not just an anti-black organization, they were the security arm of the National or Nazi Democratic Party in America. At the time, they were known to be methods for what was called soft brainwashing, the manipulation of a person's mind without resorting to torture and drugs. The effects though are the same as hard brainwashing: Victims, in this case defenseless children, have their minds cleansed of certain ideas and values, and other values are substituted. The group dynamics techniques incorporated into various New Age educational reforms, use the stock and trade of the Tavistock method: the creation of a controlled environment, which was the classroom, in which the group or class is forced to operate. Notice the new age movement was involved, that plan came from the 1880's.

But what is a class? Because you know always words have more than two meanings. Class (n.) c. 1600, group of students, in U.S. especially number of pupils in a school or college of the same grade, that is the familiar term, but perhaps the next descriptions are more apt? From French classe (14c.), from Latin classis: a class, a division; army, fleet, so division and militaristic. Especially any one of the six orders into which Servius Tullius divided the Roman people for the purpose of taxation; traditionally originally the people of Rome under arms. So in Tavistock terms, a class is something to be divided, just like your brain. To be ran militarily by Rome – your church. You will be divided by tax – or your life will be taxed and becoming taxing. That controlled environment is manipulated by the group leader (the teacher or facilitator) to introduce tension.

Remember FHSTOS Plus 17, it covered the Strategy of tension. The Strategy of Tension is a theory that describes how to divide, manipulate and control public opinion using fear, propaganda, disinformation, psychological warfare, agents provocateurs and false flag terrorist actions. The group leader, who has an ultimate goal in mind, targets individual members of the group, using peer pressure from other group members and, sometimes, ridicule and other forms of manipulation, to force the group toward a desired consensus belief structure. You do realize the group leader, the teacher, is now described as a handler. This methodology, which is totally devoid of appeal to reason, stifles those individuals who are most creative, forcing them back into the group. It works for most, but not for the all. Speaking personally they tried everything to get me back in line and follow their ideals, it failed. So, they initiated many other targeting attempts, lying, violence, goading and others to manipulate me into their group think plan, that failed as well. Group dynamics, as practiced in the various educational reforms, is thus destructive to creativity. It can also be used to turn children against their parents and their parents' values, substituting the consensus of the group, imposed by the group leader, for the values of the family. The group or class or school, in this case, is thus made into a substitute for the family and church. Perhaps the term church and state now has a whole new meaning? What state are the church trying to force you into? Through repeated sessions, or classroom experiences, often augmented through the inducement of hypnotic states, the young victims are turned into Satanists, mirroring the evil minds of their controllers. We will make man in our image that reveals, it cannot get more stark. Group dynamics teaches, or more precisely, preaches the following mind-bending concepts:

1) An emphasis on inner felt needs. This is accomplished through holistic brain centering, which includes hypnosis, to induce a state in which the mind appears to travel outside the body: a process known in the occult as astral projection. Three things come from that, hypnotizing the mind, we covered in the Deep State pieces, plus the repeat after me is mind memory and subtle MK Ultra. Inducing astral projection? That is to get people into a dream state trap, where they are harvested. That is where the New Age program then kicks in as well, in schools! Many group therapists say that cognitive processes of reasoning are dead. Are they therapists or just the rapists of the mind and body?

2) Non-verbal communication, involving body movement, is considered preferable to language. In other words the silent treatment, like in prison the isolation unit. Again designed to break the mind, which is then easier to manipulate.

3) Group discussion and physical exercises emphasize bodily sensuality, including sexuality, and group pairing. The emphasis upon promiscuity not only was essential to the launching of the New Age rock-drug-sex counterculture, but it also contributed to breaking down resistance to the introduction of polymorphous sex ed classes, starting with elementary school. It is not accidental that the spread of the group dynamics movement in the United States, started with the discovery of hallucinogenic drugs in the 1940s, and expanded with their broader use. Those drugs came out of the original experiments by Nazis in Germany and where passed onto the CIA when they were launched in 1947. Further experiments with LSD, which is now famous in the alt media circles, known as the red pill was carried out by the CIA at Montauk and other places under the MK Ultra programs. Then in the 1960's and the Tavistock invention The Beatles sang the mind meme song for LSD called Lucy in the Sky with Diamonds to further indoctrinate the people.

4) Emphasis on the here and now, thereby cutting off the participant from 15,000 years of known history and knowledge of a transfinite process of future progress. In this way, the educational reforms are turning our children into monsters. I would say the known history goes back much further.

Kurt Lewin was a German-American psychologist, known as one of the modern pioneers of social, organizational, and applied psychology in the United States. He was director of the Tavistock Institute. After living the first half of his life in Berlin, Germany, Lewin immigrated to the United States in August 1933 and became a naturalized citizen in 1940. Earlier, he had spent six months as a visiting professor at Stanford in 1930, but on his immigration to the United States, Lewin worked at Cornell University and for the Iowa Child Welfare Research Station at the University of Iowa. Later, he became director of the Center for Group Dynamics at MIT. Lewin is another version of Levine or Levi, because Lewin was Jewish. Yet again they are the head of the snake like businesses damaging humanity. The Tavistock Institute under Brig. Gen. Dr. John Rawling Rees from 1932 onwards focused on controlling and manipulating skilled workers. Some of its earliest government-funded projects involved the use of group psychology to induce speed-up on the assembly line, through the creation: of worker autonomous groups. These groups were in turn deployed to undermine trade union structures, often supplanting those structures. It was the same Mr. Rees and Tavistock Clinic that looked after Rudolph Hess for 4 years. After the war and them launching Operation Phoenix, there was a split in Tavistock and a new group formed, all done by the funding yet again, of the Rockefellers Foundation.

Even after that first part, all the familiar names came up again, just like they did in FHSTOS. They may appear to all be separate, but as with the FHSTOS series evolved, you all got to see the connections, the most common of which involves the Jews.

Tavistock was also behind another program called Project Monarch. Nazi Mind Control: Amidst the subtle cerebral circumvention of the gullible populace, through a multitude of manipulated mediums, lies one of the most diabolical atrocities perpetrated upon a segment of the human race; a form of systematic mind control which has permeated every aspect of society for almost fifty years. In my opinion it is longer than 50 years. To fully understand what follows, one may need to re-examine preconceived ideologies relating to the dualistic nature of mankind.

This in part relates to the piece I did last Thursday on the light, dark and triality or neutrality. Resolving the philosophical question of whether we are inherently good or inherently evil is tantamount to shaping our perception of reality; specifically, the spiritual variable within the equation of life. This exposition is substantiated by declassified U.S. government documents, individuals formerly connected to the U.S. intelligence communities, historical writings, researchers knowledgeable in mind control, publications from mental health practitioners, and interviews taken from survivors unwittingly subjected to a highly complex form of trauma-based mind control known as MONARCH programming. A word of caution for survivors of intensively systematic mind control and/or some form of ritualized abuse: There are numerous triggers in this article. It is therefore recommended not to read or hear it, unless appropriate support systems are in place or if you have a thoroughly reintegrated personality.

#### A BRIEF HISTORY OF CONTROL:

The Mystery Religions of ancient Egypt, Greece, India and Babylon helped lay the foundation for occultism, meaning hidden knowledge. No surprise those 4 names comes up with occultism, hidden knowledge it may be, but the connotations behind the words have a much darker flavoring than just hidden knowledge. All four are part of the Jewish Kabbalah and Talmudic death cult. One of the earliest writings giving reference to occultism is the Egyptian Book of the Dead, a compilation of rituals explicitly describing methods of torture and intimidation to create trauma, which then creates the adrenochrome for harvesting. The use of potions (drugs) and the casting of spells (hypnotism), ultimately resulting in the total enslavement of the initiate. You do realize at this point that the term Deep State is spell casting and mind hypnotism? These have been the main ingredients for a part of occultism known as Satanism, throughout the ages. During the 13th Century, the Roman Catholic church increased and solidified its dominion throughout Europe with the infamous Inquisition. Satanism survived this period of persecution, deeply entrenching itself under the veil of various esoteric groups. Because the Rome church cult is also a part of the control system, operating under many differing names. Whether the varying Knights of Jerusalem, Malta or Templars, the P2 Lodge, the Italian and Sicilian mafias, the list goes on, all belong to the church.

In 1776, a Bavarian Jesuit by the name of Adam Weishaupt was commissioned by the House of Rothschild to centralize the power base of the Mystery Religions into what is commonly known as the Illuminati, meaning Enlightened Ones. The Rothschild clan are a few strands short of the full DNA of the Draco reptile beings, they are not us. The Enlightened Ones? No, everything is backwards or upside down in their world, they are the endarkenment ones, no matter how much they think otherwise. This was an amalgamation of powerful

occultic bloodlines, elite secret societies and influential Masonic fraternities, with the desire to construct the framework for a New World Order. The outward goal of this Utopia was to bring forth universal happiness to the human race. Yes that happiness is backwards as well, like Klaus Schwab said, you will own nothing and be happy. The only way people will be truly happy is when these psychotic death cults are permanently closed. Their version of happy for us is the medical happy, the happy pills, except their not happy pills at all, just mind control. However, their underlying intention was to gradually increase control over the masses, thus becoming masters of the planet.

#### THE ANGLO ALLIANCE:

By the 19<sup>th</sup> century, Great Britain and Germany were recognized as the primary geographic areas of Illuminati control. All controlled by the B’Nai B’rith(ish) group. It then should be of little surprise to know the first work in Behavioral Science research was established in England in 1882, while much of the early medical and psychiatric techniques involved in mind control were pioneered at the Kaiser Wilhelm Institute in Germany. The Tavistock Institute of Human Relations was set up in London in 1921 to study the breaking point of humans. For those new to this, why would anyone set up a group to break humans? Does it suggest that the groups doing it, were not actually human themselves? Kurt Lewin, a German psychologist, became the director of the Tavistock Institute in 1932, about the same time Nazi Germany was increasing its research into neuropsychology, parapsychology and multi-generational occultism. Interestingly, a progressive exchange of scientific ideas was taking place between England and Germany, most notably in the field of eugenics: the movement devoted to improving the human species through the control of hereditary factors in mating. All of which was pure fallacy as we found out in earlier episodes of FHSTOS and also more importantly the Cosmic Genetics series. The nefariously enigmatic union between the two countries was bonded, partly through the Order of the Golden Dawn, a secret society which consisted of many high ranking officials in the Nazi party and British aristocracy. The Golden Dawn group brings in Alister Crowley and his demonic cult, but also this group worships familiar names of the past in FHSTOS episodes.

The Golden Dawn built temples to these people in Britain and France. The first was the Isis-Urania Temple in London, next was the Osiris temple in Weston-super-Mare, the Horus temple in Bradford (both in 1888), and the Amen-Ra temple in Edinburgh (1893) were founded. Also in 1893 Mathers founded the Ahathoor temple in Paris. All of which reveals this is an off world cult. Top SS Nazi officer Heinrich Himmler, was in charge of a scientific project called Lebensborn, which included selective breeding and adoption of children, a peculiarly large number of twins among them. The purpose of the program was to create a super-race (Aryans) who would have total allegiance to the cause of the Third Reich (New World Order). The author of some of this piece was wrong about the Lebensborn program as we revealed in earlier episodes. These occultic Nazis have nothing to do with Aryans, Aryans are their enemy, hence they were ensconced within the Aryan countries. Much of the preliminary experimentation concerning genetic engineering and behavior modification was conducted by Dr. Josef Mengele at Auschwitz, where he coldly analyzed the effects of trauma-bonding, eye-coloring and twinning upon his victims. Beside the insidious surgical experimentation performed at the concentration camp, some of the children were subjected to massive amounts of electroshock. Sadly, many of them did not survive the brutality. Concurrently, brain-washing was carried out on inmates at Dachau, who were placed under hypnosis and given the hallucinogenic drug mescaline. Mescaline has the effects comparable to those of LSD and psilocybin. During the war, parallel behavioral research was led by Dr. George Estabrooks of Colgate University. His involvement with the Army, CID, FBI

and other agencies remains shrouded in secrecy. The FBI in terms of agencies has largely gone under the radar, but why are they involved in this as well? Because the FBI is under the jurisdiction of the CIA. However, Estabrooks would occasionally slip and discuss his work involving the creation of hypno-programmed couriers and hypnotically-induced split personalities.

After WWII, the U.S. Department of Defense secretly imported many of the top German Nazi and Italian Fascist scientists and spies into the United States via South America and the Vatican. The code name for this operation was Project PAPERCLIP. How many people know the Vatican was involved in the Paperclip transfer? Yet again showing that church up for what it really is, an anti-humanity cult. One of the more prominent finds for the U.S. was German General Reinhard Gehlen, Hitler's Chief of Intelligence against Russia. Upon arriving in Washington D.C. in 1945, Gehlen met extensively with President Truman, General William "Wild Bill" Donovan, Director of the Office of Strategic Services(OSS) and Allen Dulles, who would later become the stalwart head of the CIA. The objective of their brain-storming sessions was to reorganize the nominal American intelligence operation, transforming it into a highly-efficient covert organization. The culmination of their efforts produced the Central Intelligence Group in 1946, renamed the Central Intelligence Agency(CIA) in 1947. Reinhard Gehlen also had profound influence in helping to create the National Security Council, from which the National Security Act of 1947 was derived. This particular piece of legislation was implemented to protect an unconscionable number of illegal government activities, including clandestine mind control programs. Like we have stated many times, the National Security Act is a cover up for illicit and deeply criminal activities. The irony is this group keeps talking about Russia interfering in America and staging coups, the CIA is the coup. The elephant in the room that no Congress members seems to want to address.

#### THE EVOLUTION OF PROJECT MKULTRA:

With the CIA and National Security Council firmly established, the first in a series of covert brain-washing programs was initiated by the Navy in the fall of 1947. The US Navy is also a cover for the SSP, the real Secret Space Program done long before Trump set up another fake agency under the same name. Project CHATTER was developed in response to the Soviet's successes through the use of truth drugs. When they say Soviets, they really mean Jews, not Russians. After the WW1 takeover of Russia by the Bolshevik Jews. This rationale, however, was simply a cover story if the program were to be exposed. The research focused on the identification and testing of such drugs for use in interrogations and the recruitment of agents. The project was officially terminated in 1953. That is a complete and utter lie, it goes on to this day, think of the many lone gunman false flag attacks, most if not all underwent MK Ultra programming. The CIA decided to expand their efforts in the area of behavior modification, with the advent of Project BLUEBIRD, approved by director Allen Dulles in 1950. Whenever Blue appears in the code name, it generally refers to off-world entities programs. Its objectives were to; discover a means of conditioning personnel to prevent unauthorized extraction of information from them by known means, investigate the possibility of control of an individual by application of special interrogation techniques, investigate memory enhancement and establish defensive means for preventing hostile control of agency personnel. In August 1951, Project BLUEBIRD was renamed Project ARTICHOKE, which evaluated offensive uses of interrogation techniques, including hypnosis and drugs the program ceased in 1956. That continues to this day also.

Three years prior to the halt of Project ARTICHOKE, Project MKULTRA came into existence on April 13, 1953 along the lines proposed by Richard Helms, Deputy Director of Central Intelligence (DDCI) with the rationale of establishing a special funding mechanism of extreme sensitivity. The hypothetical etymology of "MK" may possibly stand for "Mind Kontrolle." The obvious translation of the German word "Kontrolle" into English is "control." A host of German doctors, procured from the post war Nazi talent pool, were an invaluable asset toward the development of MKULTRA. Except many of the more severe doctors were not German at all, but again Jewish. The correlation between the concentration camp experiments and the numerous sub-projects of MKULTRA are clearly evident. Done by the same people is why. The various avenues used to control human behavior under MKULTRA included radiation, electroshock, psychology, psychiatry, sociology, anthropology, graphology, harassment substances, paramilitary devices and materials, with LSD being the most widely dispensed material. LSD is the red pill of the Q cult, and those people think they are awake? no they were sent into a Deep State of mind control unconsciousness. A special procedure, designated MKDELTA, was established to govern the use of MKULTRA abroad. MKULTRA/DELTA materials were used for harassment, discrediting or disabling purposes. Of the 149 subprojects under the umbrella of MKULTRA having been identified, Project MONARCH, officially begun by the U.S. Army in the early 1960's (although unofficially implemented much earlier) appears to be the most prominent and is still classified as TOP SECRET for National Security reasons. Which means it is still ongoing. MONARCH may have culminated from MKSEARCH subprojects, such as operation SPELLBINDER, which was set up to create sleeper assassins (Manchurian candidates) who could be activated upon receiving a key word or phrase while in a post-hypnotic trance. Operation OFTEN, a study which attempted to harness the power of occultic forces was possibly one of several cover programs to hide the insidious reality of Project MONARCH.

#### DEFINITION AND DESCRIPTION:

The name MONARCH is not necessarily defined within the context of royal nobility, but rather refers to the monarch butterfly. When a person is undergoing trauma induced by electroshock, a feeling of light-headedness is evidenced; as if one is floating or fluttering like a butterfly. There is also a symbolic representation pertaining to the transformation or metamorphosis of this beautiful insect: from a caterpillar to a cocoon (dormancy, inactivity), to a butterfly (new creation) which will return to its point of origin. Such is the migratory pattern that makes this species unique. Occultic symbolism may give additional insight into the true meaning Psyche is the word for both soul and butterfly, coming from the belief that human souls become butterflies while searching for a new reincarnation. Psyche means soul, is it psy or psi they are attacking? psyche (n.) 1640s, animating spirit, the human spirit or mind. Which is not factual, because the spirit does not reside in the brain mind. The reference to psyche came from the Greek goddess Psykhe the lover of Eros, her symbol was the butterfly. Some ancient mystical groups, such as the Gnostics, saw the butterfly as a symbol of corrupt flesh. The Angel of Death or Dr. Mengele in Gnostic art works was portrayed crushing the butterfly. A marionette is a puppet that is attached to strings and is controlled by the puppet master; hence MONARCH programming is also referred to as the Marionette Syndrome. Imperial Conditioning is another term used, while some mental health therapists know it as Conditioned Stimulus Response Sequences. In general, mental health therapists are a complete waste of time dealing with MK Ultra, as they have no idea it exists, neither do they understand host possession. Rendering that profession as pointless, due to a complete lack of knowledge. Project MONARCH could be best described as a form of structured dissociation and occultic integration, in order to compartmentalize the mind into multiple personalities within a systematic framework.

It is possible to fracture the mind into 12 different personalities. The most familiar one is the child alter, but one mind maybe an assassin, another mind often built in is the suicide alter. This is in case the host starts to remember things and or to talk about them to others. That then can set the mind trigger off for the host to kill themselves. Remember the highest form of gun crime in America is, suicide by a gun. Is it linked? I suspect it is. During this process, a Satanic ritual, usually including Cabalistic mysticism, is performed with the purpose of attaching a particular demon or group of demons to the corresponding alter(s). Of course, most skeptics would view this as simply a means to enhance trauma within the victim, negating any irrational belief that demonic possession actually occurs.

#### ALTERS AND TRIGGERS:

Another way of examining this convoluted victimization of body and soul is by looking at it as a complex computer program: A file (alter) is created through trauma, repetition and reinforcement. In order to activate (trigger) the file, a specific access code or password (cue or command) is required. The victim/survivor is called a slave by the programmer/handler, who in turn is perceived as master or god. Which race speaks of master, god and slaves? The Jewish cult, because that is where this originates within the Kabballah cult. About 75% are female, since they possess a higher tolerance for pain and tend to dissociate easier than males. Subjects are used mainly for cover operations, prostitution and pornography; involvement in the entertainment industry is notable. A former military officer connected to the DIA, told this writer, In the big picture these people the MONARCH victims are in all walks of life, from the bum on the street to the white-collar guy. In corroboration, a retired CIA agent vaguely discussed the use of such personnel to be used as plants or chameleons for the purpose of infiltrating a designated group, gathering information and/or injecting an ulterior agenda. THI has seen several of these female Monarchs within our own group, doing exactly as just described. Plants infiltrating, spying, reporting back information and creating other agendas that are often used to disrupt the group. Many of them are used in a relationship setting, using seduction techniques to lure their target in, yet when they are rejected they get really nasty and create lies to discredit the target.

There are an inordinate amount of alters in the victim/survivor with numerous back-up programs, mirrors and shadows. Hence the often repeated request from myself of doing your inner and shadow work, this combats the alter. The alter remains until the host does the real work. Alters are not just connected to the MK Ultra mind sweep, it can occur in anyone. A division of light-side (good) and dark-side (bad) alters are interwoven in the mind and rotate on an axis. These types can be easier to spot, as the person dances from being nice to nasty and snippy within a one on one conversation or a group setting. One of the main internal structures, of which there are many within the system is shaped like a double-helix, consisting of seven levels. Each system has an internal programmer which oversees the gatekeeper, which could be demons or host spirits, who grant or deny entry into the different rooms. We have covered previously the around a dozen ways you can be host possessed, the most common are alcohol and psychedelic drugs. A few of the internal images predominately seen by victims/survivors are trees, the Cabalistic Tree of Life, which is the Merkaba of time as we covered in the Cosmic Genetics series. It comes with adjoining root systems, infinity loops, ancient symbols and letters, spider webs, mirrors or glass shattering, masks, castles, mazes, demons/monsters/aliens, sea shells, butterflies, snakes, ribbons, bows, flowers, hour glasses, clocks, robots, chain-of-command diagrams and/or schematics of computer circuitry boards. Hence the prominence in their world of infinity loops or the mobius symbol. Mazes are certain realms of the astral traveling, where you are trapped until you learn how to escape that mind based maze. To free yourself from the astral harvesting, one

must develop themselves out of there by soul development only, onto the mental planes. Those carrying alters will not reach the mental planes.

#### BLOODLINES AND TWINNING:

A majority of the victims/survivors come from multi-generational Satanic families (bloodlines) and are ostensibly programmed to fill their destiny as the chosen ones or chosen generations. This was a term coined by Mengele at Auschwitz, suggesting Mengele was actually Jewish, not German, it is the same narrative. Some are adopted out to families of similar origin. Others used in this neurological nightmare are deemed as the expendable ones, which are the non-bloodline's, usually coming from orphanages, foster care homes or incestuous families with a long history of pedophilia. There also appears to be a pattern of family members affiliated with government or military intelligence agencies. Many of the abused come from families who use Catholicism, Mormonism, or charismatic Christianity as a front for their abominable activities, though members of other religious groups are also involved. Yet again the religious cults are involved in heinous practices, largely oblivious to the Deep State masses who follow in blind faith these cults. Victims/survivors generally respond more readily to a rigid religious, dogmatic, legalistic hierarchical structure because it parallels their base programming. Authority usually goes unchallenged, as their will has been usurped through subjective and command-oriented conditioning. Physical identification characteristics on victims/survivors often include multiple electrical prod scars and/or resultant moles on their skin. A few may have had various parts of their bodies mutilated by knives, branding irons, or needles, butterfly or occult tattoos are also common. Generally, blood liners are less likely to have the subsequent markings, as their skin is to remain pure and unblemished.

The ultimate purpose of the sophisticated manipulation of these individuals may sound unrealistic, depending upon our interpretive understanding of the physical and spiritual realms. The deepest and darkest alters within bloodliners are purported to be dormant until the Anti-Christ is revealed. These New World Order alters supposedly contain call-back orders and instructions to train and/or initiate a large influx of people, using possibly clones or the soulless ones, thereby stimulating social control programs into the new millennium. To the average person clones or soulless beings seems absurd, it is the fact that because people will not accept a new concept based in reality, that these programs prosper. Non-biological twinning is yet another bizarre feature observed within MONARCH programming. For instance, two young non related children would be ceremoniously initiated in a magical soul-bonding ritual, so they might be inseparably paired for eternity. Which is possibly another Mengele connection? They essentially share two halves of the programmed information, making them interdependent upon one another. Paranormal phenomenon such as astral projection, telepathy, ESP, etc. appear to be more pronounced between those who have undergone this process.

#### LEVELS OF MONARCH PROGRAMMING:

ALPHA: Regarded as general or regular programming within the base control personality; characterized by extremely pronounced memory retention, along with substantially increased physical strength and visual acuity. Alpha programming is accomplished through deliberately subdividing the victims personality which, in essence, causes a left brain-right brain division, allowing for a programmed union of L and R through

neuron pathway stimulation. Hence when you combine the two hemispheres via the sword activation, you negate the possibility of these splits.

**BETA:** Referred to as sexual programming. This programming eliminates all learned moral convictions and stimulates the primitive sexual instinct, devoid of inhibitions. Cat alters may come out at this level. Yes it said the furry snake, yet again involved in programs. Why the cat, because it is an invasive alien species, that started in Egypt.

**DELTA:** This is known as killer programming, originally developed for training special agents or elite soldiers (i.e. Delta Force, First Earth Battalion, Mossad, etc.) in covert operations. Optimal adrenal output and controlled aggression is evident. Subjects are devoid of fear; very systematic in carrying out their assignment. Self-destruct or suicide instructions are layered in at this level. These could also be in the super soldier program.

**THETA:** Is considered to the psychic programming. Bloodliners (those coming from multi-generational Satanic families) were determined to exhibit a greater propensity for having telepathic abilities than did non-bloodliners. Due to its evident limitations, however, various forms of electronic mind control systems were developed and introduced, namely, bio-medical human telemetry devices via brain implants, directed-energy lasers using microwaves and/or electromagnetics. It is reported these are used in conjunction with highly-advanced computers and sophisticated satellite tracking systems. They have been doing brain implants far longer than people think. From all accounts the Trustee had one installed in her head around 6 years of age, that is in the late 1970's.

**OMEGA:** A self-destruct form of programming, also known as Code Green. The corresponding behaviors include suicidal tendencies and/or self-mutilation. This program is generally activated when the victim/survivor begins therapy or interrogation and too much memory is being recovered. Yes the color green again, just like the cat appears in many of these programs, like Dr. Green. That is not his real name, it is the color coded program.

**GAMMA:** Another form of system protection is through deception programming, which elicits misinformation and misdirection. This level is intertwined with demonology and tends to regenerate itself at a later time if inappropriately deactivated.

#### METHOD AND COMPONENTS:

The initial process begins with creating dissociation within the subject, usually occurring from the time of birth to about six years. This is primarily achieved through the use of electroshock (ECT) and is at times performed even when the child is in the mother's womb. Due to the severe trauma induced through ECT, sexual abuse and other methods, the mind splits off into alternate personalities from the core. Formerly referred to as Multiple Personality Disorder, it is presently recognized as Dissociative Identity Disorder and is the basis for MONARCH programming. Multiple Personality Disorder can also be host possession and not necessarily MK Ultra programming. Further conditioning of the victim's mind is enhanced through hypnotism, double-bind coercion, pleasure-pain reversals, food, water, sleep and sensory deprivation, along with various drugs which alter certain cerebral functions. The next stage is to embed and compress detailed

commands or messages within the specified alter. This is achieved through the use of hi-tech headsets, in conjunction with computer-driven generators which emit inaudible sound waves or harmonics that affect the RNA covering of neuron pathways to the subconscious and unconscious mind.

Would you have ever believed such heinous experiments could be done to humanity, before you started your awakening journey? To those new, you may think it is not possible humans would do that to another human and so it is not real. But what if that statement was true? It means that off-world beings are doing that to humans with the assistance of some Satanic human families. Virtual Reality optical devices are sometimes used simultaneously with the harmonic generators projecting pulsating colored lights, subliminal and split-screen visuals. High voltage electroshock is then used for memory dissolution. Programming is updated periodically and reinforced through visual, auditory and written mediums. Having been on the receiving end of some of these Monarchs, it is easy to denigrate them for their behavior towards you. But that thinking for a higher evolved being is wrong, as one must always remember they are the real victims, despite their projections and poor behaviors. Like the children in the ritual and sexual abuse encounters, they never asked for this to be done to them. It is just plain wrong on every level, even for the dark forces. Turning children into automatons to do their dirty work is pure evil and karmic dues will be paid heavily upon return to Source. Some of the first programming themes included the Wizard of Oz and Alice and Wonderland, both heavily saturated with occultic symbolism.

Alice in Wonderland was written by someone out of Oxford College in the UK, the same college involved in the Covid scam. Many of the recent Disney movies and cartoons are used in a two-fold manner: desensitizing the majority of the population, using subliminal and neuro-linguistic programming, and deliberately constructing specific triggers and keys for base programming of highly-impressionable MONARCH children. A prime example of how subliminal programming works is by looking at the Disney cinematic sensation Pochahontas, curiously billed as their 33rd animated movie, which also coincides with the highest degree in Scottish Rite Freemasonry. In the movie, Grandmother Willow is a mystical 400 year old tree, who counsels the motherless Pochahontas to listen to her heart and help her realize all the answers lie within. Grandmother Willow is constantly talking in double-speak and using reversals, for example: Sometimes the right path is not the easiest one; the esoteric derivative being: the left path, the path that leads to destruction is the easiest one. That is the right hand path to the open gate and the left hand path of Set. In Illuminati Structured MPD Systems, the willow tree represents the occultic powers of Druidism.

The intrinsic imagery of the tree's branches, leaves and root systems are very significant, as some of the dark spiritual proper ties associated with the Willow Tree Programming are:

- (1) The branches are used to whip victims in rituals for cleansing purposes, like the flagellation of the deeply religious people.
- (2) A willow tree can endure severe weather disturbances (i.e. storms) and is known for its pliability or flexibility. Victims/Survivors of the programming describe the willow's branches wrapping around them, with no hope of escape.
- (3) The deep root system of the willow tree, makes the victim/survivor feel as if they are falling deeper and deeper into an abyss while in a hypnotic trance.

The willow or the tree is a representation of Astarte. Music plays an instrumental role in programming, through combinations of variable tones, rhythms and words. Stephen King's numerous novels and subsequent movies, are purported by credible sources to be used for such villainous purposes. One of his latest books, *Insomnia*, features a picture of King with the trigger phrase, We never sleep, which is indicative of someone with MPD/ DID) below an all-seeing eye. A partial list of other mediums used to reinforce base programming are: *Pinocchio*, *Sleeping Beauty*, *Snow White*, *Beauty and the Beast*, *Aladdin*, *The Little Mermaid*, *The Lion King*, *E. T.*, *Star Wars*, *Ghost Busters*, *Trancers II*, *Batman*, *Bewitched*, *Fantasy Island*, *Reboot*, *Tiny Toons*, *Duck Tails*, *The Dead Sea Scrolls* and *The Tall Book of Make Believe*. A few movies which depict or portray some aspect of MONARCH programming are *Hell raiser 3*, *Raising Cain*, *Labyrinth*, *Telefon*, *Johnny Mneumonic*, *Point of No Return*, *The Lawnmower Man* and *Closet Land*. And you all thought they were for entertainment, no, they were documentaries about their evil and programming and entrainment.

#### PROGRAMMERS AND PLACES:

It's difficult to figure out who the original programmer of this satanic project was, due to the substantial amount of disinformation and cross-contamination propagated by the powers that be. The two that went by the color-coded name of Dr. Green are a Jewish doctor named Dr. Gruenbaum, who supposedly collaborated with the Nazis during WWII, and Dr. Josef Mengele, whose trademark of cold blooded and calculating brutality has not only scarred the souls of survivors from Auschwitz, but also a countless number of victims throughout the world. Mengele's direct involvement at the infamous Auschwitz concentration camp was suspiciously downplayed during the Nuremberg Trials, and consequently no intensified effort by the U.S. and its allies was directed toward his capture. As a means to confuse serious investigators as to his whereabouts, U.S. officials would report Mengele being a non-threatening, recluse in Paraguay or Brazil, or that he was simply dead. As the "Angel of Death" miraculously must have come back to life at least five different times. My understanding is that Mengele was teaching MK Ultra programs in Canada, alongside Dr. Green and Dr. White which was Ewen Cameron. The green and white names are color coded programs. His unprecedented research, at the expense of thousands of lives, undoubtedly was a significant bonus to U.S. interests. Besides using the pseudonym of Dr. Green, survivors knew him as Vaterchen (daddy), Schoner Josef (beautiful Joseph), David and Fairchild. A gracefully handsome man of slight stature, Mengele would disarm people with his gentle demeanor, while at other times, he would explode into violent rages. Other characteristics remembered by survivors were the cadence of his shiny black boots, as he paced back and forth and his I-love-you/I-love-you-not daisy game. When he pulled off the last daisy petal, he would maliciously torture and kill a small child in front of the other child he was programming. Distraught survivors also recalled being thrown naked into cages with monkeys, who were trained to viciously abuse them. Evidently, Mengele enjoyed reducing people to the level of animals. He also would purposely restrain his victims from crying, screaming, or showing any excessive emotion.

Dr. D. Ewen Cameron, also known as Dr. White, was the former head of the Canadian, American and World Psychiatric Associations. Because of Cameron's extensive experience and credentials, the CIA's Allen Dulles funneled millions of dollars throughout organizations like the society for the Investigation of Human Ecology, which Cameron ruthlessly presided over. Experimentations were conducted at several locations in Montreal, mostly at McGill University, St Mary's Hospital and Allan Memorial Institute. Besides the conventional methods of psychiatric tyranny, such as electroshock drug injections and lobotomies. Cameron conceived the

technique of psychic driving, wherein unsuspecting patients were kept in a drug induced coma for several weeks and administered a regimen of electroshocks, while electronic helmets were strapped to their heads and repetitive auditory messages were transmitted at variable speeds. Many of those exploited were abused children, which had been run through the Roman Catholic orphanage system. Yet again the CIA and the Rome church are involved in heinous human experiments, mainly upon children. Yet the world is seemingly helpless to stop these atrocities. Not surprisingly, Dr Cameron has been conveniently left out of most psychiatric journals. This may have been, in fact, largely due to Project MKULTRA being publicly exposed in 1970, through lawsuits filed by Canadian survivors and their families. The CIA and Canadian government settled out of court, so as not to be required to officially admit to any wrongdoing.

A former U.S. Army Lt. Col. in the DIA's Psychological Warfare Division, Michael Aquino, is the latest in a line of alleged government-sponsored sadists. Aquino, an eccentric genius, founded the Temple of Set, an offshoot of Anton LaVey's Church of Satan. His obsession with Nazi pagan rituals and his hypnotic manipulation of people, made him an ideal candidate for the position of Master Programmer. Aquino was connected with the Presidio Army Base day care scandal, in which he was accused of child molestation. Much to the dismay of the young victims' parents, all charges were dismissed. Code-named "Malcolm", Aquino developed training tapes on how to create a MONARCH slave and worked as a liaison between Government/Military Intelligence and various criminal organizations and occult groups in the distribution of MONARCH slaves. Aquino is one sick and twisted individual, yet people including the famous went and joined his church like cults. I mean, why would anyone wish to join the Church of Satan? Why did the authorities even allow a building to be built? It is ironic they are now trying to shut down Christian churches, yet allowing the Church of Satan to even operate in the first place. If you are Christian, don't for one minute think this is a foreign war against your religion, it's not. They are going against your religion, because that religion as a divisive program has now run its course. So now the Jewish religion which was the creator of all other religions, now feels Christian and Muslim faiths are no longer required to serve the purpose they were created for. They are going to attack you not because you are Christian, but because you are not Jewish.

Heinrich Mueller was another important programmer who went under the code names Dr. Blue or Gog. Blue is another color coded program, most often related to the ET narrative, Gog is the other half of the Gog and Magog from the biblical scriptures. He apparently has two sons who have carried on the trade. The original Dr. Black was apparently Leo Wheeler, the nephew of deceased General Earle G. Wheeler, who was the commander of the Joint Chiefs of Staffs during the Vietnam War. Wheeler's protege, E. Hummel is active in the Northwest, along with W. Bowers (Jewish) from the Rothschild bloodline. Other alleged master mind manipulators, past and present, are: Dr. Sidney Gottlieb, Scott Gottlieb Pfizer and FDA, former FDA regulator of Pfizer, now a current board of Director at Pfizer, both are Jewish. Lt. Col John Alexander, Richard Dabney Anderson (USN), Dr. James Monroe, Dr. John Lilly, Lt. Comdr. Thomas Narut, Dr William Jennings Bryan, Dr. Bernard L. Diamond, Dr. Martin T. Orne, Dr. Louis J. West, Dr Robert J. Lifton, Dr. Harris Isbel and Col. Wilson Green. The medical and military industry are operating these programs along with the CIA. Yet people never question any of them? In fact many American's celebrate the fact their offspring is in the Military! It is mindboggling and also MK Ultra mind memery that so many American's worship the entities who have committed so many atrocities against them.

In order to keep MKULTRA from being easily detected, the CIA segmented its subprojects into specialized fields of research and development at universities, prisons, private laboratories and hospitals of course, they

were rewarded generously with government grants and miscellaneous funding. The names and locations of some of the major institutions involved in MONARCH programming experimentation were/are: Cornell, Duke, Princeton, UCLA, University of Rochester, MIT, Georgetown University Hospital, Maimonides Medical Center, St. Elizabeth's Hospital (Washington D.C.), Bell Laboratories, Stanford Research Institute, Westinghouse Friendship Laboratories, General Electric, ARCO and Manking Research Unlimited. Remember Bell Lab is number 70 in the Jewish gematria numbers cult, just like Q. This is why our Blueprint stated all of these Universities and Research centers have to be closed down and fully assessed and addressed before re-opening in a different format. The final product was/is usually created on military installations and bases, where maximum security is required. Referred to as (re) programming centers or near-death trauma centers, the most heavily identified are: China Lake Naval Weapons Center, The Presidio, Ft. Dietrick, Ft. Campbell, Ft. Lewis, Ft. Hood, Redstone Arsenal, Offutt AFB, Patrick AFB, McClellan AFB, MacGill AFB, Kirkland AFB, Nellis AFB, Homestead AFB, Grissom AFB, Maxwell AFB and Tinker AFB. Some of those names have come up previously for rogue medical experimentation, in particular Ft. Dietrick and Hood. But now you have a more fuller list and again the Blueprint addresses the military bases within America and the need for them to be shut down, evaluated and turned into healing centers for the Soldier Return program. Other places recognized as major programming sites are Langley Research Center, Los Alamos National Laboratories, Tavistock Institute and areas in or by Mt. Shasta, CA, Lampe, MO and Las Vegas, NV. Ah the legendary alt media cult center for conferences and alleged spiritual retreats, Mt. Shasta. When in reality it is a gateway to hell, figuratively and literally.

Notable Names: One of the first documented cases of a MONARCH secret agent was that of the voluptuous 1940's model, Candy Jones. The book, *The Control of Candy Jones*, (Playboy Press) portrays her 12 years of intrigue and suspense as a spy for the CIA. Jones, whose birth name is Jessica Wilcox, apparently fit the physiological profile as to be one of the initial experiments or human guinea pigs under the government's scientific project, MKULTRA. The most publicized case of MONARCH monomania has surfaced through the book *TRANCE Formation of America*. Her name was Jones, perhaps this song has a different meaning now?

#### THE LIFE STORY OF A CIA SLAVE BY CATHY O'BRIEN:

On the back cover it emphatically states, Cathy O'Brien is the only vocal and recovered survivor of the Central Intelligence Agency's MKULTRA Project Monarch mind control operation. This documented autobiography contains compelling accounts of O'Brien's years of unrelenting incest and eventual introduction into Project MONARCH by her perverted father. Along with co-author Mark Phillips, her rescuer and deprogrammer, Cathy covers an almost unbelievable array of conspiratorial crime: forced prostitution (white slavery) with those in the upper echelons of world politics, covert assignments as a drug mule and courier, and the country-western music industry's relationship with illegal CIA activities. Paul Bonacci a courageous survivor who endured almost two decades of degradation under Project MONARCH, has disclosed strong corroborating evidence of wide scale crimes and corruption, from the municipal/state level all the way up to the White House. He has testified about sexually-abused males selected from Boys' Town in Nebraska and taken to nearby Offutt AFB, where he says they were subjected to intense MONARCH programming, directed mainly by Commander Bill Plemmons and former Lt. Col. Michael Aquino. After thoroughly tormenting the young boys into mindless oblivion, they were used (along with girls) for pornography and prostitution with several of the nation's political and economic power brokers. All of which echoes Joachim Hapogian's book we

covered in the True horrors of the world series recently. In relation to these elites and people in powerful positions using children in the most abusive and heinous way.

Bonacci recalled being transported from the Air Force base via cargo planes to McClelland AFB in California. Along with other unfortunate adolescents and teenagers, he was driven to the elite retreat, Bohemian Grove. The perpetrators took full advantage of these innocent victims, committing unthinkable perversions in order to satisfy their deviant lusts. Some victims were apparently murdered, further traumatizing already terrified and broken children. An unsuitable actress of marginal talent (now deceased), a morally-corrupt T.V. evangelist, a heralded former Green Beret officer and a popular country-western singer are a few others likely having succumbed to MONARCH madness. Lee Harvey Oswald, Sirhan Sirhan, Charlie Manson, John Hinckley Jr., Mark Chapman, David Koresh, Tim McVeigh and John Salvi are some notable names of infamy, strongly suspected of being pawns who were spawned by MKULTRA. That is the Manchurian Candidate section of the MK Ultra, which is stage 3 of 4 in that program. At that level having come through various testing, they are able to fracture your brain into compartments and install code or programming for the host to carry out their wishes. A stage 3 Mk Ultra can be sitting quietly at his or her office desk, go out for lunch, murder a load of targeted people and go back to the office and have no recollection of it. They just go about their day completely oblivious. But if that candidate is deemed surplus to requirements having fulfilled their duty, they will then be thrown under the bus and declared a lone gunman or nut. That's how it all works. The classic example of that was the guy James Eagan Holmes who in Aurora Colorado shot a load of people and had no recollection of it, that is MK Ultra 3.

#### DEPROGRAMMERS AND EXPOSERS:

Dr. Corydon Hammond, a Psychologist from the University of Utah, delivered a stunning lecture entitled: Hypnosis in MPD: Ritual Abuse at the Fourth Annual Eastern Regional Conference on Abuse and Multiple Personality, June 25, 1992 in Alexandria, Virginia. Notice it was held in Virginia, home of Langley and the CIA. He essentially confirmed the suspicions of the attentive crowd of mental health professionals, wherein a certain percentage of their clients had undergone mind control programming in an intensively systematic manner. Thirty years on mental health specialists still won't consider it or host possession as the main causes of mental health issues. Meaning that profession by default is a fraud. Hammond alluded to the Nazi connection, military and CIA mind control research, the Greek letter delta and color programming and specifically mentioned the Monarch Project in relation to a form of operative conditioning. Delta is also the name of an airline company, those planes are used by the CIA and their agents. Shortly after his ground breaking speech, he received death threats. Not wanting to jeopardize the safety of his family, Dr. Hammond stopped disseminating any follow-up information, until recently. Mark Phillips, a former electronics subcontractor for the Department of Defense, was privy to some of the top secret mind control activities perpetrated by the U.S. government. His inquisitive demeanor, strong conscience and heart-felt concern for Cathy O'Brien, a "Presidential Model" under Project MONARCH, prompted him to reveal the inner-workings of this grand deception beginning about 1991. As the story goes, he helped Ms. O'Brien escape from her captors and was able to deprogram her in about a years' time in Alaska. The controversial Phillips has his share of critics who are skeptical of the veracity of his claims. Why? Because he was an actual medical person who could and wanted to help people? Unlike the vast majority of other medical people as we found out in our recent expose.

New Orleans therapist Valerie Wolf introduced two of her patients before the President's Committee on Human Radiation Experiments on March 15, 1995 in Washington D.C. The astonishing testimony made by these two brave women included accounts of German doctors, torture, drugs, electroshock, hypnosis and rape, besides being exposed to an undetermined amount of radiation. Both Wolf and her patients stated they recovered the memories of this CIA program without regression or hypnosis techniques. Wolf presently devotes much of her time to counseling such survivors. Many people started to return their memories around the end of the world timeline in 2012, this gave rise to the super soldier groups in the alt media around the same time. All of which reveals we went into a new timeline that triggered the genetic dna memory, which can override the brain. A former labor attorney for Atlantic Richfield Co., David E. Rosenbaum, conducted a nine year investigation (1983-1992) concerning allegations of physical torture and coercive conditioning of numerous employees at an ARCO plant in Monaca, PA. His clients, Jerry L. Dotey and Ann White, were victims of apparent radiation exposure; but as Mr. Rosenbaum probed deeper in the subsequent interview sessions, a Pandora's Box was unveiled. His most astonishing conclusion was that Jerry Dotey and Ann White were likely the off-spring of Adolf Hitler, based in part on the uncanny resemblance from photos, of facial features; bone structure and size were taken into consideration. Rosenbaum also states, they both exhibit feelings and experiences that indicate they are twins. Dotey and White were allegedly subjected to torture of many kinds while under drug induced hypnosis, with each one undergoing at least three training techniques by plant physicians. Each victim was trained to enter into a hypnotic state upon the occurrence of specific stimuli, usually involving a "cue" word or phrase and trained to remember to forget what transpired in the hypnotic state. That is MK Ultra stage 3 described earlier. They were repeatedly subjected to identical stimulus-response sequence, to produce nearly automatic reactions to the particular status. MKULTRA veteran, Dr. Bernard Diamond, Dr. Martin Orne and Dr. Josef Mengele regularly visited the ARCO plant, according to Rosenbaum. The special conditioning of Dotey and White was intended for the artificial creation of dual German personalities. Rosenbaum, who is Jewish, has maintained a deep friendship with the two, despite the seemingly precarious circumstances. Was Rosenbaum the plant to extract information and inform authorities and potentially eliminate the clients? The same thing happened with ITNJ with Robert David Steele and Sacha Stone, I received multiple complaints of abusive, bullying and threatening behavior by Steel and Stone against the witnesses and victims of ritual abuse. Other renowned therapists involved in deprogramming are Cynthia Byrtus, Pamela Monday, Steve Ogilvie, Bennett Braun, Jerry Mungadze and Colin Ross. Some Christian counselors have been able to eliminate parts of the programming with limited success. I suspect they can never remove the later stages of MK Ultra; it is too deep seated. Journalists who have recently expounded on the subject matter in exemplary fashion are Walter Bowart, Operation Mind Control, Jon Rappoport, U.S. Government Mind-Control Experiments on Children and Alex Constantine, Psychic Dictatorship In The USA

Next we are going to into the music that hampers the MK Ultra people and also warns of it. We have in past shows covered the song Get Free by Lana Del Ray who is clearly another MONARCH victim. But here is another song that went under the radar of the MK Ultra and clearly was done by another MK Ultra victim, Kate Bush. Catherine Bush rose to fame with the song Wuthering Heights, but there were other songs and album name that raises concerns of being influenced. She also worked early on with Geoff Emerik who worked on several Beatles albums. For those that don't know, the Beatles, Rolling Stones and many other bands where a creation of Tavistock Institute. One of her albums was called The Red Shoes, which has risen to prominence via the pedophilia cult. But Kate Bush performed a song, that may not have been written by

her, but by Tavistock themselves, all of which will be very revealing, It was called Experiment IV, is that in relation to MK Ultra stage 4?

The song lyrics were as follows: We were working secretly for the military, our experiment in sound was nearly ready to begin. We only know in theory what we are doing, Music made for pleasure, music made to thrill. It was music we were making here until, they told us all they wanted was a sound that could kill someone from a distance. So we go ahead and the meters are over in the red, it's a mistake in the making. From the painful cries of mothers to a terrifying scream, we recorded it and put it into our machine. They told us all they wanted, was a sound that could kill someone from a distance, So we go ahead and the meters are over in the red It's a mistake in the making. It could feel like falling in love, it could feel so bad, it could feel so good, it could sing you to sleep But that dream is your enemy. We won't be there to be blamed, we won't be there to snatch I just pray that someone there can hit the switch. They told us all they wanted, was a sound that could kill someone from a distance So we go ahead and the meters are over in the red It's a mistake in the making and the public are warned to stay off.

Frankly extraordinary and very disturbing lyrics to put out, well you know they have to tell us what they are doing. The problem is the people not interpreting or decoding it in the right way. It's just a song, a film, a show, it's all fiction they cry, not! they are all documentaries and songs to let us know. Working with the military in creating sounds that could kill people? What I suspect that is explaining is, creating songs that are then inserted into the MK Ultra victims heads. Which when triggered by the sound, they turn into unwitting assassins. Although certain people with a combined frequency placed into a circle, can generate an energy that will kill people within a certain radius. They were doing that with children and super soldiers. Surprisingly it was covered in the X Files, it was the last episode in one of the series'. The MK Ultra may experience the event as a dream, hence that dream is your enemy. Here is the song in question.

#### EXPERIMENT IV

Disney and the music industry has played heavily into the mind control programs, particularly on children. The songs that are triggers are many, but It's a small world and I would like to teach the world to sing are just two of the songs I am aware of that causes triggers in children.

Alice in Wonderland Tactic:

The following excerpt is from KUBARK Counterintelligence Interrogation (CIA torture guide) dated July 1963: The aim of the Alice in Wonderland Tactic or confusion technique is to confound the expectations and conditioned reactions of the interrogatee. Or in its current mainstream application, to force the controlled narrative onto an unsuspecting public through the use of Psychological Operations tactics spread through the mainstream media. Yet again it is the CIA involved in these heinous experiments, how they have survived for so long without being truly challenged, monitored, had Oversight is completely beyond my comprehension. Most people are accustomed to a world that makes some sense, at least in their mind and that which supports their sense of identity. They may believe in a world based on continuity and logic, a predictable world. The individual or the public may cling to this belief system that makes up their world view, in order to reinforce their ego identity and powers of resistance, to not bend to the will of others superimposed narratives and agendas. The confusion technique is designed not only to obliterate the familiar, but to replace it with the

weird and nonsensical, normalizing lunatic behaviors and states of madness portrayed as sane. Normalizing lunatic behaviors? Like I have said this world is a lunatic asylum. Although this method can be employed by a single interrogator, it is better adapted to use by two or three or more. When the subject enters the room, the first interrogator asks a Doubletalk question, one which seems straightforward but is essentially nonsensical. Whether the interogatee tries to answer or not, the second interrogator follows up (interrupting any attempted response) with a wholly unrelated and equally illogical query. Sometimes two or more questions are asked simultaneously. That tactic of asking multiple questions at once is designed to confuse, disorient or frustrate the interogatee. Pitch, tone, and volume of the interrogators' voices are unrelated to the import of the questions. No pattern of questions and answers is permitted to develop, nor do the questions themselves relate logically to each other. In this strange atmosphere the subject finds that the pattern of speech and thought which he has learned to consider normal, have been replaced by an eerie meaninglessness. The interogatee may start laughing or refuse to take the situation seriously. But as the process continues, day after day if necessary, the subject begins to try to make sense of the situation, which becomes mentally intolerable. Now he is likely to make significant admissions, or even to pour out his story, just to stop the flow of babble which assails him. This technique may be especially effective with the orderly, obstinate type. Not if you completely ignore it, the antidote is to say which question do you want me to answer?

Rule 13 for Disinformation:

Alice in Wonderland Logic. Avoid discussion of any of the issues by reasoning backwards or with an apparent deductive logic which refrains from giving out any actual material facts.

Alice Mind Control:

A slightly off-beat and idiosyncratic but gentle introduction to an unapproved topic or subject which for most 3D people, most of the time, is safely relegated to the realm of fictional horror, ridiculous conspiracy theories or a similar mental pigeon-hole, so that life can proceed according to their belief systems or resume as normal. The relevant work of Albert Biderman were also used in the training of interrogation specialists, an in-depth class on Biderman's Principles – in Guantánamo. Biderman is also Jewish. To break a person's will, it suffices to deprive him of all human contact, to disorient him, to disrupt his biological rhythms and subject him to great stress. By using a suitable combination of very simple elementary techniques, such as disorientation, sleep deprivation, sensory deprivation, or degrading, the subject's psychological integrity swiftly disintegrates, he quickly regresses to an infantile stage and his will is broken. Why are this group hellbent on breaking the will of the people? What is seriously wrong with these people? What happened to innocent until proven guilty? None of that applies you see; they have a generally random selected target and go about dehumanizing them. I underwent similar lines of questioning from the Trustee's so-called "Security team" when both were actually Black Sun Langley agents. For twenty to thirty minutes they asked the same question, why are you here? My answer was to help and support Kim, they just didn't get it. After much and toing and froing they said you must want something, one said look I am in it for the money, so what is your angle and wish, the answer was I am here to help and support Kim, what part of that answer do you both not get? Then they declared me a demon and told Kim to stay away from me, we both agreed on a gap for meeting and I left her with a warning and hint, which took her 3 months to realize who her partner and his handler really were.

Monarch Mind Control Symbolism:

The movie *The Wizard of Oz* is used by Monarch handlers to program their slaves. Symbols and meanings in the movie become triggers in the slave's mind enabling easy access to the slave's mind by the handler. In popular culture, veiled references to Monarch programming often use analogies to *The Wizard of Oz* and *Alice in Wonderland*. Isn't it wonderful to know Disney and other movie makers used children's movies to mind control people, not!

#### Stress Induction for Mind Control:

A leaked psychological study from the Big "G" tells us all we need to know, about how Big Tech works to induce stress in people so that corporations, the Health Complex and NGOs can rake in the cash. I presume the big G is Go-ogle, which is a subsidiary of Alphabet Inc, which again is the CIA. Video details how Alice in Wonderland CIA based psychological operations have invaded the mainstream media and big tech, to incite aggravated stress and confusion for the purpose of normalizing madness and lunatic behaviors, designed to stress people out and confuse them. This is the delay and distractions tactics, which members around or close to me have all experienced. Now you know it is deliberate, use the same tactics I use. I laugh at it for its child level embarrassing behavior, stay calm, balanced and proceed onwards. It won't stop it, but it will stop you from getting yourself out of balance, which is what they want.

#### Themes in Alice's Adventures in Wonderland, Abandonment/Loneliness:

*Alice's Adventures in Wonderland* provides an inexhaustible mine of literary, philosophical and scientific themes. Here are some general themes which the reader may find interesting and of some use in studying the work. Alice's initial reaction after falling down the rabbit-hole is one of extreme loneliness. Her curiosity has led her into a kind of Never-Never Land, over the edge of Reality and into a lonely, very alien world. She is further lost when she cannot establish her identity. Physically, she is lost; psychologically, she also feels lost. She cannot get her recitations right, and she becomes even more confused when her arithmetic (a subject she believed to be unchanging and solid) fails her. Every attempt to establish a familiar basis of identity creates only the sense of being lost, absolutely lost. Alice becomes, to the reader, a mistreated, misunderstood, wandering waif. Trapped in solitude, she finds herself lapsing into soliloquies that reflect a divided, confused and desperate self. Alt media is described as going down the rabbit hole and is also a lonely existence, as too few will face the absolute truth. The truth is the never-never land on this planet, as for going over the edge of reality, that is a reverse psychology tactic. Because learning the truth does place you into reality and out of the illusion bubble world the masses create for themselves. She can't establish her identity? well with everyone using capital letters for their name, you have lost your true identity in their world. But people who operate in chaos are the very ones that are affected by these tactics. Unable to go within themselves, they resort to external illusion based realities and feel they are abandoned. In reality, they abandoned only themselves.

#### The Child-Swain:

Alice is the most responsible "character" in the story; in fact, she is the only real person and the only "true" character. At most, the other creatures are antagonists, either a bit genial or cruel, depending on how they treat Alice at any given point in the story. Alice's innocence makes her a perfect vehicle of social criticism a

la Candide. In her encounters, we see the charmingly pathetic, naïve and innocent child, whose only purpose is to escape the afflictions around her. By implication, there is the view that a child's perception of the world is the only sane one. That is actually true as it is more pure. Conversely, to grow and mature leads to inevitable corruption, to sexuality, emotionalism and adult hypocrisy. That is because the adult has not advanced out of the childhood stage. The child as an innocent, sympathetic object has obvious satirical utility, but only to the point that the child must extend sympathy herself. Alice fails to do this when she describes her cat Dinah to the Mouse, and later when she confesses to having eaten eggs to the frightened mother pigeon.

#### Children and Animals:

In an age such as our own, where philosophers earnestly debate the rights of animals, or whether machines can think, we cannot escape the child's affinity for animals. And in Wonderland, except for the Gryphon, none of the animals are of a hostile nature that might lead Alice to any harm. The Gryphon is a mythical animal so he doesn't count as a "true" animal. That is a griffin, a chimera of half lion and half eagle you will find as statues on many churches. Most of the Wonderland animals are the kind one finds in middle-class homes, pet shops and in children's cartoons. Although they may not seem so in behavior, most of them are, really, pets. Alice feels a natural identity with them, but her relationship ultimately turns on her viewing them as adults. So her identity with the animals has a lot to do with her size in relationship to adults. Again it is showing that people are inherently children or childlike who will not face up to the adult world. Alice emphasizes this point when she observes that some ugly children might be improved if they were pigs. In her observation lies the acceptance of a common condition of children and animals: Each is personified to a degree. Thus, it is not surprising that in the world of the child, not only animals, but dolls, toys, plants, insects and even playing cards have the potential to be personified by children (or adults).

#### Death:

Growing up in Wonderland means the death of the child, and although Alice certainly remains a child through her physical changes in size, in other ways, death never seems to be far away in Wonderland. For example, death is symbolized by the White Rabbit's fan which causes Alice to almost vanish; death is implied in the discussion of the Caterpillar's metamorphosis. And death permeates the morbid atmosphere of the enchanted garden. The fear of death is perpetuated by the religious entities, who deny people the knowledge of life beyond the current one. The Queen of Hearts seems to be the Goddess of Death, always yelling her single, barbarous, indiscriminate, Off with their heads! I suspect that is in relation to the Red Queen, one of the last of the Parents in the former control structure.

#### Nature and Nurture:

The structure of a dream does not lend itself to resolution. A dream simply is a very different kind of experience. In this sense, Alice does not really evolve into a higher understanding of her adventure. She has the memory of Wonderland but she brings nothing "real" from Wonderland, only her memory of it. An MK Ultra brings nothing real from a crime scene, only the buried memory of it. In Alice's case, good social breeding is more important than her natural disposition. But if Alice leaves Wonderland without acquiring any lasting, truly worthwhile knowledge, neither can she give any wisdom to the creatures whom she has met there. Nature, in each case, sets limits on the ability to assimilate experiences. Wonderland offers a peculiar

view of Nature. For one thing, all the animals have obviously been educated. There is literally not a stupid one in the bunch. In general, the basic condition common to all the creatures is not ignorance, but madness, for which there seems to be no appropriate remedy. Sounds like this planet to me, utter lunatic asylum for the most part. A Victorian reader must have wondered how the animals were trained; after all, the assumptions that Alice makes all rest on her training. What type of training is the question? don't immerse too much in the movie, only the concepts it is producing. In Wonderland, much of the fun depends on the confusion of training. Nature and natural feelings seem to more often than not mean danger or potential violence. But except for the puppy and the pig/baby, there are no natural creatures, however much natural feelings are expressed. The Duchess, for example, seems to be only the epitome of rage; she conveys a kind of sadistic delight in digging her chin into Alice's shoulder; anger even seems to motivate her didactic morals. Finally, nature seems superior to nurture in Wonderland, as the personification of beasts seems to be no improvement on the actual beasts themselves. The pig, for example, is a more content creature as a pig, for the baby was not happier when it was a baby.

#### Justice:

Although there are plenty of rules, the laws of Wonderland seem a parody of real justice. The Queen of Hearts, for example, thinks nothing of violating the law which protects people from illegal prosecution; she seeks the head of the Knave of Hearts for having been only accused of stealing the tarts. Thus, the Queen violates the spirit of the law against stealing to satisfy the logical necessity that every trial must have an execution. The spirit of the law is, so to speak, sacrificed to satisfy the reversibility of the symbolic letter of her logic. In the croquet game, anyone can be executed for reasons known only to the sovereign Queen, who acts as though she is a divinity with the power to take or give life. Under a monarchy, the monarchs are above the law. In Wonderland, however, the monarch's will is flaunted when the command is to execute someone. Ignoring the Queen's command to behead someone is a matter of survival as well as justice. All which applies to here as well, as royalty, bloodlines, elites and Jews seem to think they are above any law. Someone may have stolen the tarts, and it may well have been the Knave. But the offense is trivial, and the sentence is only a joke. One of the problems with the law in any context is its application. When the law ceases to promote harmony, then its purpose as a regulator of human affairs is subverted. In Wonderland the idea of a law seems ridiculous because the operative principle of Wonderland is chaos. Yes the lawless only dance in chaos. Injustice, then, is a logical consequence of living in Wonderland. The rule of the strongest person must be the law, that is, the law of anarchy. The trial of the Knave is proof of this woeful state of affairs. Fortunately, Alice is the strongest of the lot, and she overthrows the cruel Queen's sentence of execution and the savage kangaroo court. There is no way to change the law because no law exists. By her rebellion, Alice serves both the cause of sanity and justice.

#### Time and Space:

Time, in the sense of duration, exists in Wonderland only in a psychological and artistic sense. In a psychological and perhaps artistic license sense? When we ordinarily conceive of time, we think of units of duration, that is, hours, minutes, and seconds; or days, weeks, months, and years. We may also think of getting older and having lived from a certain date. We assume that the time reflected on a clock and our age are essentially the same kind of process. But a clock may repeat its measure of duration, whereas we have only one lifetime. Our age is therefore a function of an irreversible psychological sense of duration. We live in the

conscious knowledge that we can never return to a given point in the past, as we might adjust a clock for daylight savings time. Yet people often dance into the past with their personal problems and traumas. Our personal, psychological time is absolute and irreversible. And that is the kind of time that creatures like the Mad Hatter employ in Wonderland. We never know whether the White Rabbit uses a mechanistic time, only that he has a watch. When Alice looks at the Mad Hatter's watch, she sees a date, but she sees neither hours nor minutes. Because Time and the Mad Hatter do not get along, time has frozen the tea-party at six o'clock. But it turns out that time is also reversed, so that a year has the duration of an hour and vice versa. Reckoned in hour-lengths, the tea-party must go on for at least a year, unless Time and the Mad Hatter make up their quarrel. But because of psychological time, the creatures are able to leave and return to the tea-party. And because of psychological time, Wonderland's experience comes to an end, and just as our uniquely, individual lives will one day end, so will our nightmares and dreams. There is certainly enough earthly analogies to go along with in that movie. Which will set us up nice for the Part 2 of this type of series and into the Alice in Wonderland reasons and purpose in relation to mind control.

#### CONCLUSION:

The overview of this is, just how easily the people fall for their banal programs, with devastating consequences. The most incriminating statement to date made by a government official as to the possible existence of Project MONARCH was extracted by Anton Chaitkin, a writer for the publication, The New Federalist. When former CIA Director William Colby was asked directly, What about monarch? he replied angrily and ambiguously, we stopped that between the late 1960s and the early 1970s. Suffice to say that society, in its apparent state of cognitive dissonance, is generally in denial of the overwhelming evidence of this multifarious conspiracy. Numerous victims/survivors of Project MONARCH are in desperate need of help. However, the great majority of people are too preoccupied with themselves to show any genuine compassion toward these severely wounded individuals. Apathy has taken over the minds of the masses, who choose to exist within the comforts of this world. Reality has thus become obscured by relativism and selfishness. Although there has been some progress in deprogramming and reintegrating therapies, a much greater problem needs to be rectified. Statistically, the road to recovery for these survivors of unimaginable depravity is a long and tedious one. In my opinion they can only be truly free once they have passed on and returned to Source. Until then it is all about managing it and reconfiguring your brain to remove as much of the triggers and elements when the alter appears. Sadly there are not many like Cathy O'Brien who had the mental fortitude to fight it and thrive, as too many won't recognize it and even fewer address it despite knowing the problem. Just like the aversion to doing shadow and inner work.

Without the evil Tavistock, there would have been no WWI and WWII, no Bolshevik Revolution, Israel, Korea, Vietnam, Serbia and Iraq wars. The Tavistock Institute went on to shape the destiny of Germany, Russia, Britain and the United States in a highly controversial manner. The people of these nations were unaware that they were being brainwashed with Propaganda and Psychological Warfare. Scientific propaganda can deceive the very elect, it always did. For those new propaganda is a play on words, it really states pro pagan da or for pagan skin. These "pagans" are the Koshey's from our original episode of this series FHSTOS, that was originally called From Russia with Love, until the we own everything crew stepped in and denied us the use via copyright. Earlier there was a mention of Pandora's box, in essence the alt media bringing these types of atrocities into the light, is opening Pandoras box. The sad thing is, many knew about it and many kept quiet about it, allowing more to suffer, with a silent scream from within. Pandora's box (1570s)

refers to her gift from Zeus, which was foolishly opened by Epimetheus, upon which all the contents escaped. They were said to be the host of human ills escaping to afflict mankind, or, in a later version, all the blessings of the god (escaping to be lost), except Hope, which alone remained. Except hope? one hopes the highlighting of this further brings an end to this evil set of practices and we go forward with hope that there will be no more victims, only justice applied to those within the programs. Forget the perpetual lies of the CIA, that it all ended, it didn't and is still in play today. The dream is to end the dream of the bad dream and to do that we must accept the responsibility for this information and reality and highlight it far and wide. The great question is, who or what are the migrants?
